Cattle 3,000 Lower  
Sheep 3,200 Steady

Top of the cattle market in St. Louis Tuesday and highest price in over a week was \$13.00, paid for two cars of 1500-lb steers shipped by Geo. B. Fennewald of Audrain county, Mo. Consignment embraced 40 head averaging exactly 1492 lbs. The cattle were finished on a ration consisting principally of corn.—Live Stock Reporter.

The short course in agriculture having been completed at McMillan High School, A. Gorrell, instructor in vocational agriculture at the high school, has started another course similar to the one just finished at Benton City. The course will be given on Monday, Wednesday and Friday nights of each week. There will be ten or more lessons in the course.

Mr. Gorrell has received word that more than the required number for the course to be given have enrolled. An average attendance of eight is required for the continuance of the course. It has not been decided what problems will be studied.

Carroll County is making a good showing in pure bred live stock due to the strong efforts of the Breeders Association there which was organized in May 1915. O. C. Fuchs, the County Agent, says he does not think a scrub sire could be found at the head of any herd in the county.

J. T. Johnson, this week sold Shondler & Son, on the Clay farm near Sturgeon, 101 head of cattle for \$8,870.81. They averaged 1018 pounds and brought \$8.62 per hundred. They were extra good cattle.

A half interest in the Poland China boar The Liberator has been purchased for \$5000 by C. V. Mosby of St. Louis from C. J. Casey of Crocker, Mo. This is said to be the highest price ever paid in Missouri for a pig, and Mosby said that he believed The Liberator to be the best specimen of his breed in the state. In the show rings last fall this animal had the bad luck to run into two of his little brothers, who beat him, leaving him the third prize at the Missouri State Fair and second at the Ozark Fair at Springfield. Mosby has a farm where he breeds blooded hogs. At a recent sale held on his farm he disposed of one pig for \$800 and others for \$450, \$280 and \$200. The Liberator was bred by L. H. Glover of Grand View, Mo.

Farmers' Week at the College of Agriculture, University of Missouri, January 17 and 21, 1921 is an exceptional opportunity for the Boys and Girls of Missouri. A special program is being arranged for the Boys' and Girls' Clubs. There will be contests in different lines of club activities, exhibits of club products, demonstra-

tions by club teams, games, singing, and other recreation. Every county in Missouri should be represented by boys and girls who could return home and visit other clubs in the neighborhoods and tell what they had seen and learned and give demonstrations of the work which they had seen performed while at Farmers' Week. October was a banner month for the Boys' and Girls' Club work of the College of Agriculture, University of Missouri. This month gave birth to the organization of 292 clubs with an enrollment of 2936. The state champions for this year follow: Corn Growing Clubs, Charles Steele of Livingston County; Pig Clubs, Leo Steen, Livingston County, Beef Clubs, Lois Elaine Barlow, Atchison County. These three state champions will be given a free trip to the International Live Stock Show at Chicago, November 27 to December 4.

### LIBERTY DISTRICT.

Mrs. Stanley Mathews of McClure, Ill., is visiting her parents, Mr. and Mrs. Kenry Kunkel. — Mrs. W. L. Stackney, of Horsing, Kansas, is visiting her sister, Mrs. John Smith. — Miss Coral Hollingsworth spent the week-end with Miss Verna Lovinger. — Leonard Jenkins visited his mother, who is very ill, Saturday and Sunday. — Mrs. Frank Wmmore and little daughter, of Jefferson City, and Misses Frances and Rose Moore, of Paris, spent Thanksgiving with their sister, Mrs. Earl Ehl. — Miss Verna Lovinger delightfully entertained a few friends with a party Saturday evening. Delicious refreshments were served. — John Smith shipped a load

of lambs to the St. Louis market the first of the week, also sold 42 head of sheep to Perry Riggs. — Ira Kunkel spent the week-end with his parents. — Wythe and John Franklin Marshall spent Sunday with Alvin Jenkins. — Frank James, Jr., visited Martin Smith Sunday. — We are sorry to hear of the illness of our little friend and former schoolmate, Harrison Adams. We hope for his speedy recovery. — Miss Anna W. Underwood and her cousin, spent Thanksgiving with Mr. and Mrs. A. G. Smith. — Ryland Marshall visited Mr. and Mrs. John Marshall and family the past week. — Will Ravenscraft and Mr. and Mrs. Sam Bise visited Mr. Atkins Sunday. — Thomas Owen spent Sunday evening with Alvin Jenkins. — Miss Lela Davis spent Thanksgiving and the week-end at home and with relatives in Centralia. — Our school visitors for last week were: Mrs. J. E. Bell and Misses Verna Lowry, Mable Dorgan and Lillian Spottswood, of Mexico.

Investigate Our Budget Plan

the better way of buying your NEW EDISON for Christmas

BETTER because it brings your New Edison now,—or for Christmas.  
BETTER because it finds the purchase money in your enjoyment expenditure.  
BETTER because it systematizes and simplifies buying.  
BETTER because it works on thrift principles, and avoids a lump sum payment. It makes possession easy.

GENUINE FORD SERVICE—AND PARTS

INSIST on genuine Ford parts for your Ford car. Mail order houses, stores and many garages sell imitation—counterfeit parts which have not the quality of the genuine Ford parts, but the Authorized Ford Dealers as well as the Authorized Sales and Service Dealers sell only the genuine Ford-made Ford parts. You are safe with them, while your car is mighty unsafe if repaired with imitation parts. The real Ford parts are made from the same properly heat-treated steel as their counter parts in a Ford car. Every part is heat-treated according to its use. Depending upon the service they perform, Ford parts are tempered to insure the longest life. Tested after almost every operation while being manufactured, these parts present a vast difference from those not manufactured under Ford supervision. Counterfeit parts range from thirty to seventy-five per cent below the quality of the Ford standard. Don't take chances; demand Ford parts, they're safer. Bring your Ford to us and thus make "assurance doubly sure." If you want a Ford car, truck or Fordson tractor, leave your order without delay, as now we can make fairly prompt delivery.—Touring Cars, Coupes, Sedans, Runabouts, Trucks and Fordson Tractors.

Why not drop in and talk over your wants?
